

Welcome home! I'm glad you're here. I've planned something fun for you, my dear. Look for clues, and I'm sure you'll find something special at the end of the line.

To start you out, I've placed a clue in the space where we keep a spice or two!

How smart you are. I feel so lucky, Find the next clue in my favorite movie

Clue #3

I love you so, I think you're swell, Go to the place where you like to sit and dwell
